Trainer Qualifications

Benjamin Allen has been training, facilitating, building and operating ropes courses for 29 years. He has built over 50 courses throughout the country including Aspen Grove, Heritage School, Provo Canyon School, New Haven, Utah State Prison, Heber Valley Camp, CA-LO, West Ridge, Valley Mental Health, Discovery Ranch, Snow College and more.

He is certified as a BSA COPE course instructor, trainer, inspector, and builder (1986, 1998 & 2004). He is also certified and trained by Project Adventure (1991 and 2000). These two programs have some of the finest training and strictest standards in the industry. Benjamin is a member of the Association for Challenge Course Technology (ACCT) and the Professional Ropes Course Association (PRCA). He regularly attends conferences and workshops pertaining to ropes courses so he can stay up to date.
